

# FREE Crochet Halloween Pumpkin Gnome Pattern

Yulia Gorbunova :: 28.9.2022

---

If you're looking for enjoyable Halloween decor crochet design, this Pumpkin Gnome Free Crochet Pattern is the answer. You can place it on bookshelves, window sills and other spaces you need a Halloween theme.

You can use different types of yarn but I recommend a DK or Sport weight. Make sure to use a crochet hook that's one or two sizes smaller, it makes the fabric a little tighter, so it will hold the stuffing without showing holes.

## Materials

- Yarn in orange, brown, green, yellow, white and red color.
- Size 2.5 mm crochet hook. [This is my absolute favorite crochet hook](#) I recommend to everyone.
- [Poly-Fil Fiberfill stuffing](#).
- Needle, tapestry needle, stitch marker, pins and scissors
- *Optional*: small button for decoration
- *Optional*: brown eye shadow

## What did I use?

[Schachenmayr Catania](#), sport weight yarn, 100% Cotton, 1.76 ounces = 137 yards/50 grams = 125 meters.

**Colors:** 00281 (orange for body), 00403 (light yellow for hat), 00130 (white for beard), 00263 (skin for arms and nose), 00161 (brown for hat), 00252 (red for flower), 00205 (green for leaves)

## Abbreviations

Here are the crochet abbreviations used in this pattern. Note that instructions are written in US terms.
