* Place the eyes between rows 22-23, with 10 stitches in between, aligning them with the cheek increase section. After attaching the eyes, you will have 8 stitches remaining in between. Create the eyes, eyelashes, eyebrows, and nose according to the visual reference. (I used thick black yarn for the eyes and black embroidery thread for the eyelashes).

33- (1 sc, 1 dec)*20 (40 sc)

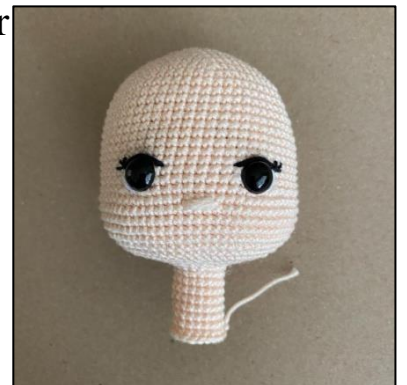

NOTE: At this stage, let's firmly stuff the head. While doing the stuffing, leave an opening in the middle with your finger.

34- (2 sc, 1 dec)*10 (30 sc)

35- (3 sc, 1 dec)*6 (24 sc)

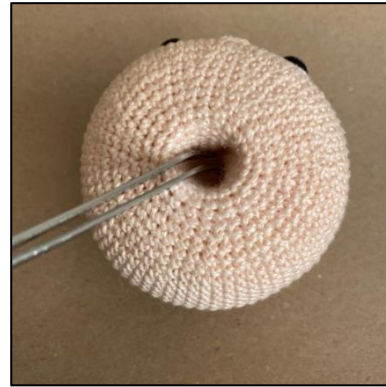

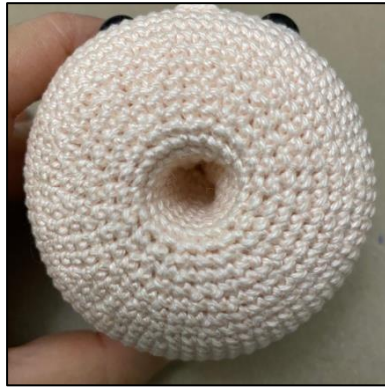

36- (2 sc, 1 dec)*6 (18 sc)

* In this part, using our thumb or a stuffing tool, let's create a generous opening in the middle and carefully push the fiberfill towards the cheeks and other areas in a proportionate manner.

37-46-(10 rounds) (18 sc)

NOTE: Push the long piece that we crocheted with '10 rows of 18 sc' towards the space we've created. You might find this part a bit challenging, so you can use a stuffing tool or any other tool to push this part inward.

JOINING THE HEAD AND NECK

Let's take the body in our hands. Thread a long needle through the two ends of the yarn at the neck part (we can do this individually), insert it into the opening in the head, and pull it out from the top. Similarly, pull the other yarn from the top of the head and secure the neck firmly in the opening in our head. Tie the yarns we pulled out from the top tightly to secure the head in place.

EARS (MAKE 2)

*Catania Tr- 263 (Skin Color)

* Attach the head between rows 20 and 23, leaving 7 stitches between the eyes.

WIG

* Catania 00189 (Orange Color)

* At the end of the round, ch 62 and turn. Starting from the second ch, make 60 hdc, skip 1 sc, and make 1 sl st. Repeat this process until the end of the round. At the end, you will have 24 stitch. Sl st into the top of the next block round and repeat the same process until the end of this round. At the end, you will have 21 stitch. Sl st into the top of the next block round. During this round, repeat he same process, but skip 2 instead of 1 before making sl st. At the end, you will have 12 stitch. Sl st into the top of the next two block rounds (skip one round in between).

Repeat the same process, skipping 1 stitch in between sl st. At the end, you will have 6 stitch. Leave a long tail of yarn, secure it to the head in accordance with the visual, and sew it in place.

DRESS

*Catania 00110 (Black Color)

1- Ch 47, from second ch 46 sc (46 sc), ch 1 turn.

2- 7 sc, ch 8, skip 8 sc, 16 sc, ch 8, skip 8 sc, 7 sc (46 sc), ch 1 turn.

3- 7 sc, ch 8 onto 8 sc, 16 sc, ch 8 onto 8 sc, 7 sc (46 sc), ch 1 turn.

4-9-(6 rounds) (46 sc), ch 1 turn.

10- (46 sc) * During this process, let's join our crochet with sl st. (From now on, join the end of each row with sl st.) Chain 2 to go up to the next round. Make 2 dc in the first stitch and the last stitch, and make 3 dc in all the stitches in between. (135 dc)

* From now on, our crochet will continue with one

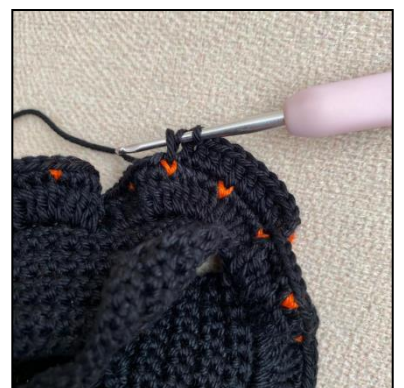

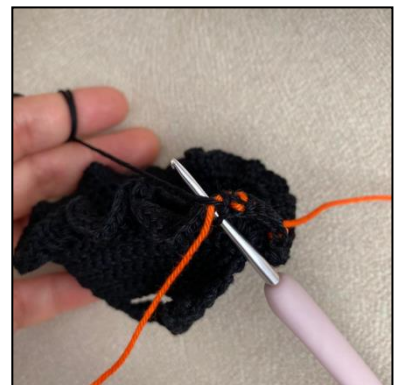

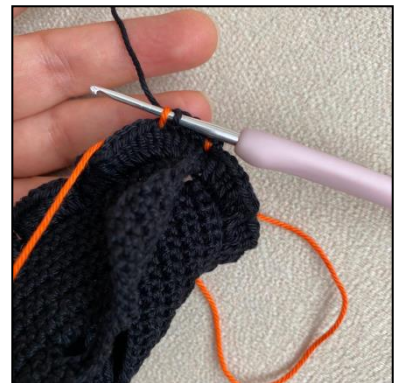

round of sc and one round of dc. In the rounds with sc, we will carry the orange yarn (*Catania 00189) from the back.

11- Ch 1, pass the orange yarn through the first sc, secure it with the black yarn, then crochet 4 sc. On the fifth single crochet, take the orange yarn from the inside and secure it with the black yarn. Continue this pattern until the end of the round. (135 sc in total) *You can refer to the visuals for assistance. If you find it difficult, you can contact me on my Instagram account @amigurumi_land_ for video support.

12- Ch 2, in this round, we continue with only the black yarn. Crochet 1 dc into each stitch until the end of the round. Be sure to insert your hook into the orange loop that we crocheted in the previous round. (135 dc)"

13- In this round, we continue with both the black and orange yarns. Start with 3 sc using the black yarn. On the fourth sc, remove the orange yarn from the inside and secure it with the black yarn. Crochet 4 sc, then on the fifth sc, remove the orange yarn and secure it with the black yarn. Continue this pattern until the end of the round. (In the rounds with sc, only the starting sc counts will change. Between two orange loops, there will always be 4 sc until the end of the round. The key point here is that the orange loop should align with the two orange loops crocheted in the previous round.) (135 sc)

14- Ch 2, continue with the black yarn and crochet 1 dc into each stitch until the end of the round (135 dc)

15- Ch 1, start with black yarn 1 sc, orange yarn stitch, continue with black yarn 4 sc. (135 sc)

19- Ch 1, start with black yarn 2 sc. orange yarn stitch, continue with black yarn 4 sc. (135 sc)

20- Ch 2, continue with the black yarn and crochet 1 dc into each stitch until the end of the round (135 dc)

21- Ch 1, start the round by passing the orange yarn through the first sc from the inside. continue with black yarn 4 sc. (135 sc)

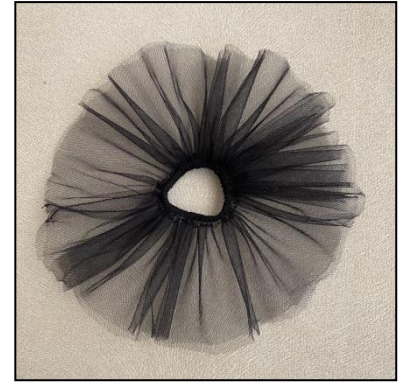

22- Ch 2, continue with the black yarn and crochet 1 dc into each stitch until the end of the round (135 dc)

* Attach our black yarn to the right corner of the back of our dress. Crochet 10 sc until you reach the waistline. (The exact number is not crucial here; you can adjust it to your preference.) Towards the other corner of the neckline, crochet 8 sc, then make ch 5 (we will create a buttonhole), and finally, crochet 2 sc.

Tulle Tutu

Fold our 18 cm tulle in half. (I used a tulle length of 1.40 meters.) Sew along the folded top, leaving enough space for the baby elastic to pass through. Measure and cut the baby elastic to fit your baby's waist. Thread the cut baby elastic through the opening left in the folded part and gather the tulle. Stitch and secure the two ends of the elastic together to close it.
