

Christmas Baubles Set 3

Materials

- 2.0 mm crochet hook (size B)
- Cotton yarn:
 - ▶ white - 30g / 96m (90 yards)
 - ▶ light blue - 20g / 64m (60 yards)
 - ▶ dark blue - 20g / 64m (60 yards)
 - ▶ beige - 10g / 32m (30 yards)
 - ▶ small amount of black and pink
- Polyfill to stuff
- 4 pairs of 8 mm (0.31 inches) safety eyes
- Tapestry needle
- Stitchmarkers and pins (optional)

Yarn, finished size and gauge

This samples was made with YarnArt Jeans (half-cotton yarn): white #62, blue #75, dark blue #68, beige #73.

Finished size: 8,5 cm (3.3") tall with hat

Because this is a pattern for a stuffed toy, gauge is not really important. You can use any weight yarn, if you make sure that your hook is appropriately sized for your yarn, so that you get a nice, solid fabric. Using a different size hook and yarn weight will change the size of your finished project.

Make sure you crochet pretty tight all the way, to get no stretching holes between the stiches after you filled in a stuffing material.

Stitches and crochet techniques used

- Single crochet, half double crochet, double crochet, treble crochet in rounds
- Magic adjustable ring
- Increasing and decreasing

If you use safety eyes, it is the best moment to place them. Insert eyes (one eye with the eye spot) between 11 and 12 rnds of a head, centering them regarding to the ears, leaving 9sc distance between eyes. (image 4.8) Stuff the head with filling material and continue:

| | | |
|----|---------------|----|
| 21 | (2sc, dec) 6x | 18 |
| 22 | (sc, dec) 6x | 12 |

Stuff it again, if needed

| | | |
|----|----------|---|
| 23 | (dec) 6x | 6 |
|----|----------|---|

Fasten off, leaving a long tail. Using tapestry needle, weave the yarn tail through the front loop of each remaining stitch and pull tight to close. Weave in the yarn end.

Sew the eye spot around the perimeter. With the black yarn embroider the nose between 11 and 12 rnds of a head, centering it regarding to the eyes. The width of a nose - 3 sc. Embroider the line from the bottom of a nose for 2sc down. (image 4.9, 4.10)
