Stuff firmly. Fasten off, leaving a long tail for sewing.

Tentacles (make 10):

Make 5 Tentacles of both blue and pink colors.

Round 1: Ch 51

Round 2: Dc 50 from the second chain

Fasten off, leaving a long tail for sewing.

Sew two tentacles of different colors together with one side only. You can make them as curly as you like by regulating the thread tension. Make a few more tentacles, until you've got the thickness you want.

Assembly:

1. Attach the safety eyes between rows 20 and 21, about 14 stitches apart.
2. Use the embroidery thread to sew on a mouth and eyelashes.
3. Attach the tentacles to the bottom of your jellyfish.

That's it! :)
