OLIYANKO@AMIGURUMI

A crocheted orange fox named Hazel is the central focus, sitting on a burlap sack. The fox has large black eyes, a white muzzle with a black nose, and small pink inner ears. Its body is crocheted in a light beige color. The scene is decorated with several hazelnuts and yellow autumn leaves scattered around the fox. In the background, a large, round, brown object, possibly a hat or a basket, is visible. The overall aesthetic is warm and autumnal.
