

PATTERN

Garik the Pug

Materials

- 3,0 mm crochet hook (size D)
- Cotton yarn:
 - ▶ beige - 50g / 160m (175 yards)
 - ▶ black - 20g / 64m (70 yards)
 - ▶ small amount of white yarn
- Polyfill to stuff
- A pair of 16 mm (0.63 inches) brown safety eyes
- Tapestry needle
- Stitchmarker and pins (optional)

Yarn, finished size and gauge

This sample was made with YarnArt Jeans (half-cotton yarn): beige #07, black #28, white #01. **Finished size:** 7.87" (20 cm) in seated position, 9.84" (25 cm) tall.

Because this is a pattern for a stuffed animal, gauge is not really important. You can use any weight yarn, if you make sure that your hook is appropriately sized for your yarn, so that you get a nice, solid fabric. Using a different size hook and yarn weight will change the size of your finished project.

Make sure you crochet pretty tight all the way, to get no stretching holes between the stitches after you filled in a stuffing material.

Stitches and crochet techniques used

- Single crochet in rounds
- Magic adjustable ring
- Single crochet increasing and decreasing

Sew the edges of circles with **yarn C**. Stuff the head. (image 1.6)
