MATERIALS:

1. Stuffing materials (I use hollow fiber);
2. Scissors;
3. Crochet hook (I use 2mm size, size B to USA classification. If you crochet with other types of yarn, choose the size of crochet hook suitable for yarn's thickness);
4. Plastic eyes on the secure mount (10mm/0,39inches size) - 2 pieces;
5. Needles for sewing (blunt end, metal or plastic) and for pinning details;
6. Yarn for embroidery nostrils, eyebrows and mouth. I use Yarn Art Iris (100% cotton; 151yards/138m; 0,7oz/20g) color 935 black. You can use other yarn of suitable thickness or yarn for embroidery);
7. Yarns (Yarn Weight: A (24-26 stitches), 5 ply, Sport, Fine, 12 wpi). I use:
 - Alize Cotton Gold Tweed (57% cotton + 40% acrylic + 3% polyester; 361yards/330m; 3,53oz/100g) color 616 purple (main yarn, for head, ears, body and wings). I use 35-50g (1,2-1,76oz);
 - Yarn Art Jeans (55% cotton + 45% acrylic; 175yards/160m; 1,76oz/50g) color 36 pink (for nose) and 74 light pink (for ears);
 - Alize Cotton Gold (55% cotton + 45% acrylic; 361yards/330m; 3,53oz/100g) color 55 white (for eyes);
 - Alize Softy (100% micropolyester; 126yards/115m; 1,76oz/50g) color 185 light pink (for breast).

You can fantasize and choose other yarn's colors.

You can also use other types of yarn (similar in thickness and materials to the ones I used, or other types). If you use other materials, the size and appearance of the finished toy may differ from the photos in this pattern.

The following yarns can be used (they are similar in thickness to the ones I used):

- Gazzal Baby Cotton (60% cotton + 40% acrylic; 175yards/165m; 1,76oz/50g);
- YarnArt Baby Cotton (60% cotton + 40% acrylic; 142,1yards/130m; 1,76oz/50g);
- Kartopu Amigurumi Yarn (49% cotton + 51% acrylic; 175yards/165m; 1,76oz/50g);
- DROPS Safran Cotton Yarn (100% Cotton; 175yards/160m; 1,8oz/50g);
- Knit Picks Comfy Sport (75% cotton + 25% acrylic; 136yards/124m; 1,76oz/50g).

EYES

Crochet with white yarn in the continuous spiral.

Note that hdc increases in the 5th rounds form small bumps on the ovals (see photo 6, 8, they are circled). They should be located on the inside of the eyes, "looking" at each other.

Insert plastic eyes into the white eyes between 3rd and 4th rounds as shown on the photos 7-8.

Don't cap plastic eyes.

Crochet them together with purple yarn (the direction of crocheting is shown on the photo 35) as shown on the photos 36-37 - for left ear, 38-39 - for right ear:
