Hello!
My name is Dasha and I'm a fan of
amigurumi!
I create and crochet brooches,
toys and also make patterns to
them.
I've been keen on handmade since
my childhood, but only crocheting
has been thrown me into!
Recently, I've started to blog my
cozy Instagram about crocheting.

Supplies

The size of the completed doll is 10.53 inches if you use the similar supplies mentioned below.

1) Yarn YarnArt Jeans (50g/160m, 55% cotton, 45% acryl):

- color 90 (red) - for outfit,
- color 84 (mustard) - for outfit and mask,

4) Wire, 2 mm thick (2 pieces of about 12.48 inches long) and 1/1.5 mm thick (of about 10.14 inches long) and adhesive tape.

If you are going to make the doll without any skeleton, you should use a barbecue skewer or any other skeleton for the neck.

5) A piece of plastic or cardboard of 3.9 x 3.9 inches;

6) The pliers, scissors, pins;

7) A needle and a tapestry needle;

8) Fiberfill.
