2. Materials

Yarn

- Sport weight (No.2) - YarnArt Jeans

- Sport weight (No.2) – Alize Cotton Gold

Tools

- 2 mm Hook
- Yarn needle
- Stitch marker
- Pins (to facilitate assembly)
- Scissors
- Stuffing
- Wire for the arms and umbrella
- 4 buttons (of which 2 should be flat buttons)
- Fabric glue (to sew the polka dots to the umbrella)
- Black and white embroidery thread

You can use whatever yarn size, color and type you want. Keep in mind that the size of the finished toy will change depending on what yarn and hook combination you use.

Using the indicated tools, Luna will be 17 cm / 6.7 inches tall.

3. General Advice and Tips

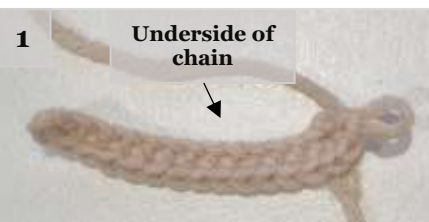

- **Make sure your tension is tight.** This will ensure that the stitches will come out neat and no stuffing will show through at the end.
- **If you want to make the toy smaller or larger,** you can either change up the yarn size, the hook size, or a combination of both. If you want a larger toy, work with thicker yarn or a bigger hook or both, and vice versa for a smaller toy.
- **When working in the round,** start with a magic circle or foundation chain, then crochet continuously without joining with a slip stitch at the end of the round. This will ensure you do not end up with an inaesthetic seam. **Use a stitch marker** at the end of each round to keep track of your position.
- **I recommend using the Yarn Under/Yarn Over method** when crocheting “single crochet” stitches in amigurumi, as this will produce the more aesthetically pleasing X stitches.
- **Turn your project right side out.** The side that should be on the outside is the one that has the neat X stitches (if using the yarn under method) or the V stitches (if using the yarn over method). Another way in which you can tell the right side, is to go by the yarn tail from the magic ring – this should be on the inside of the work. And yet another way to figure this out is by the direction in which you work. If the project is right side out, you will be working clockwise. If it’s wrong side out, then you’re working counterclockwise.
- **Take your time with stuffing.** More stuffing than you think is necessary for a firm shape. Stuff as much as you can, without getting to the point where you’re stretching the stitches too much.

4. Let's make a Gothic Doll! :)

Head

Work with SAHARA yarn. Make a chain and work around it in a continuous spiral.		
Round	Instructions	Total
1	Chain 15	[15]
2	From the second chain from hook: 13 sc, 3 sc in the next stitch, continue crocheting on the underside of the chain (Pic. 1): 12 sc, inc sl st into the 1 st sc stitch (not counted in the total) The sl st will be the last st of this round. (Pic. 2)	[30]
3	(12 sc, 3 sc in next stitch, 1 sc, 3 sc in next stitch) x 2	[38]
4	(13 sc, 3 sc in next stitch, 3 sc, 3 sc in next stitch, 1 sc) x 2	[46]
5	(14 sc, 3 sc in next stitch, 5 sc, 3 sc in next stitch, 2 sc) x 2	[54]
6	(15 sc, 3 sc in next stitch, 7 sc, 3 sc in next stitch, 3 sc) x 2	[62]
7	(16 sc, 3 sc in next stitch, 9 sc, 3 sc in next stitch, 4 sc) x 2	[70]
8	(17 sc, 3 sc in next stitch, 11 sc, 3 sc in next stitch, 5 sc) x 2	[78]
9	(18 sc, 3 sc in next stitch, 13 sc, 3 sc in next stitch, 6 sc) x 2	[86]
10-28	86 sc (19 rounds)	[86]
<p>Because there is a natural spiraling occurring when crocheting in the round, we must offset the start point for the next rounds so that the corner decreases will align properly. To do this, at the end of round 28 I crochet 2 more sc and place the stitch marker in that 2nd sc (Pic 4-5). The next stitch after that will be the beginning of round 29.</p> <p>Feel free to adjust the starting point further if the corners don't align properly for you. You can also use stitch markers in the corners to keep track of their position as you crochet.</p>		

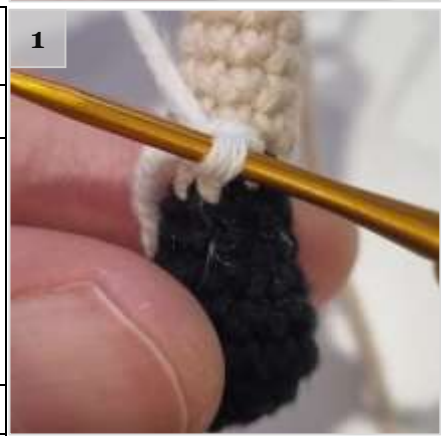

29	(18 sc, 3 sc tog, 13 sc, 3 sc tog, 6 sc) x 2	[78]
30	(17 sc, 3 sc tog, 11 sc, 3 sc tog, 5 sc) x 2	[70]
31	(16 sc, 3 sc tog, 9 sc, 3 sc tog, 4 sc) x 2	[62]
32	(15 sc, 3 sc tog, 7 sc, 3 sc tog, 3 sc) x 2	[54]
33	(14 sc, 3 sc tog, 5 sc, 3 sc tog, 2 sc) x 2	[46]
34	(13 sc, 3 sc tog, 3 sc, 3 sc tog, 1 sc) x 2	[38]
35	(12 sc, 3 sc tog, 1 sc, 3 sc tog) x 2	[30]
Start stuffing (Pic. 6). Make sure not to overstuff or the head might lose its shape and become bulgy.		
36	11 sc, (dec) x 2, 11 sc, (dec) x 2	[26]
Do 1 sl st, F.O. and leave a long thread for sewing. With a yarn needle, sew the head closed (Pic. 7). Weave in the remaining yarn (Pic. 8).		

Arms

Make 2 x ARMS. Start with BLACK yarn and work in a continuous spiral.		
Round	Instructions	Total
1	6 sc in a magic ring	[6]
2	(inc) x 6	[12]
3-4	12 sc (2 rounds)	[12]
5	(2 sc, dec) x 3	[9]

Stuff firmly.		
7	9 sc	[9]
Change to SAHARA yarn. Cut the BLACK yarn.		
8	BLO: 9 sc	[9]
9-19	9 sc (11 rounds)	[9]
Do not stuff the SAHARA part. Looking at the arms with the SAHARA side up, attach WHITE yarn to a FLO on round 8 (Pic. 1) and crochet sc clockwise all around, in all the front loops. Sl st into the first sc to finish, F.O. and weave in the ends. Insert a piece of wire a bit longer than the arms through the arms. Flatten the arms and crochet approx. 4 sc across the top through both sides to close them (crochet around the wire so the wire remains in the middle). F.O. and leave a long tail for sewing (Pic. 2).		

Legs and Body

Make 2 x LEGS. Start with WHITE yarn and work in a continuous spiral		
Round	Instructions	Total
1	6 sc in a magic ring	[6]

Change color to BLACK yarn. Cut WHITE yarn.		
12	17 sc	[17]
F.O. the first leg (Pic. 1) and crochet the second leg following the same steps above. After crocheting the second leg, don't cut the yarn, instead: Chain 4 and attach the chain with a sl st to the first leg – make sure the increases of both legs are facing the inside (Pic. 2-3). Continue crocheting the next rounds around both legs including in the chain loops:		
1	17 sc around the first leg, 4 sc on the chain (Pic. 4), 17 sc around the second leg, 4 sc on the other side of the chain (Pic. 5).	[42]
2	(6 sc, inc) x 6	[48]

3	(7 sc, inc) x 6	[54]
4	(8 sc, inc) x 6	[60]
Stuff the legs firmly.		
5-9	60 sc (5 rounds)	[60]
Change color to SAHARA yarn. Cut BLACK yarn.		
10	60 sc (Pic. 6)	[60]
11	(8 sc, dec) x 6	[54]

22	30 sc	[30]
23	(8 sc, dec) x 3	[27]
24	27 sc	[27]
Finish stuffing, F.O. and leave a long thread for sewing (Pic. 7).		

Eyes

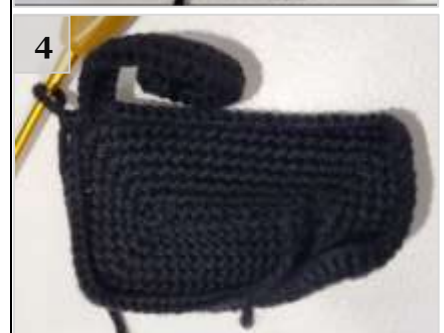

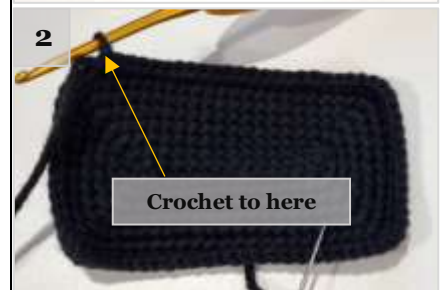

Make 2 x EYES.		
Start with BLACK yarn and work in a continuous spiral.		
Round	Instructions	Total
1	6 sc in a magic ring	[6]
2	(inc) x 6	[12]
Change color to GREY yarn and crochet in BLO.		
3	BLO: (sc, inc) x 6	[18]
Change color to BLACK yarn and crochet in BLO.		
4	3 sc, (in the same st: hdc, dc, hdc), 3 sc	[9]
Sl st, F.O. and leave a long GREY yarn tail for sewing. Embroider reflections with WHITE yarn in the black circle of the eyes.		

Hair

Important! Work your hdc stitches the same way (yarn under or yarn over) you worked the body. If you worked your body with yarn under but you want to work the hdc rows yarn over, use a smaller hook than the body (0.5-0.75mm smaller). Also pay attention to your tension when crocheting in rows and try to work at a similar tension as the body.

Work with BLACK yarn. Make a chain and work around it in a continuous spiral.		
Round	Instructions	Total
1	Chain 15	[15]
2	From the second chain from hook: 13 sc, 3 sc in the next stitch, continue crocheting on the underside of the chain (Pic. 1): 12 sc, inc sl st into the 1 st sc stitch (not counted in the total) The sl st will be the last st of this round. (Pic. 2)	[30]
3	(12 sc, 3 sc in next stitch, 1 sc, 3 sc in next stitch) x 2	[38]
4	(13 sc, 3 sc in next stitch, 3 sc, 3 sc in next stitch, 1 sc) x 2	[46]
5	(14 sc, 3 sc in next stitch, 5 sc, 3 sc in next stitch, 2 sc) x 2	[54]
6	(15 sc, 3 sc in next stitch, 7 sc, 3 sc in next stitch, 3 sc) x 2	[62]
7	(16 sc, 3 sc in next stitch, 9 sc, 3 sc in next stitch, 4 sc) x 2	[70]
8	(17 sc, 3 sc in next stitch, 11 sc, 3 sc in next stitch, 5 sc) x 2	[78]
After round 8 (Pic. 1), crochet 17 more sc, so that you almost reach the end of this lateral (Pic. 2). From here you will start working in turning rows. You will first make a chain, then work back towards round 8 along the chain, then you will slip stitch into the next two stitches of round 8, turn, and crochet along the previous row, and so on.

F.O. and leave a long tail for sewing the mesh to the head.
Use the tail to sew row 78 to row 1 (Pic. 13 – previous page), but stop half way (don't sew it along the entire length) – to mirror the gap from the other side of the bangs (between rows 58-59 – Pic. 14).

Dress

Make 1 x DRESS.

Work with **BLACK** yarn in turning rows.

Row	Instructions	Total
1	Chain 39	[39]

Important! Work your hdc stitches the same way (yarn under or yarn over) you worked the body. If you worked your body with yarn under but you want to work the hdc rows yarn over, use a smaller hook than the body (0.5-0.75mm smaller). Also pay attention to your tension when crocheting in rows and try to work at a similar tension as the body.

Sl st and F.O. Weave in the yarn end (Pic. 5 – back of the dress).		
Next you will crochet the collar. Place the dress on a surface with the back side (the one with the crack) facing up (like in Pic. 5). Looking at the back, attach WHITE yarn to the left side, on the beginning chain right at the crack (Pic. 6).		
1	19 dc, ch 2 to turn	[19]
2	4 dc, 5 hdc, 10 sc	[19]
F.O. and weave in the yarn end.		
Now place the dress with the front side facing up and reattach the yarn in the adjacent stitch to the first half of the collar (Pic. 7).

Next you will sew the buttons. Place the dress with the back side up again and sew two buttons to the right side of the crack as you look at it (Pic.9). On the left side of the crack, you will crochet the button loops. Attach black yarn to the top (under the collar) and crochet along the vertical side: <ul style="list-style-type: none"> • chain 6, 2 sl st, ch 6, sl st. F.O. and weave in the yarn ends (Pic. 9). Sew two flat buttons to the front of the dress (Pic. 10)

Cut the yarn and leave a long yarn tail. Attach the polka dots to the canopy by either: <ul style="list-style-type: none"> • using the tail to sew them on; • gluing them on with fabric glue. If you choose to glue them on, knot the yarn ends at the back of the dots and cut them very short. 		

Next you will attach the canopy to the stick.

Insert one end of the stick through the hole in the canopy so that it protrudes about 1 cm / 0.4 inches through the top of the canopy. Using the yarn tail from the stick, sew the stick to the canopy around the opening.

Shape the lower end of the stick in a semicircle (Pic. 6).

Do not stuff. Flatten at the last round and crochet 2-3 sc through both sides together. Leave a long tail for sewing.		
Sew the ears on top of the head next to each other. Sew the arms under the head on either side of the body. Sew the legs three-four rounds below the arms. Embroider details using white embroidery thread or one string from a thread of white yarn (see Pic. 5).		

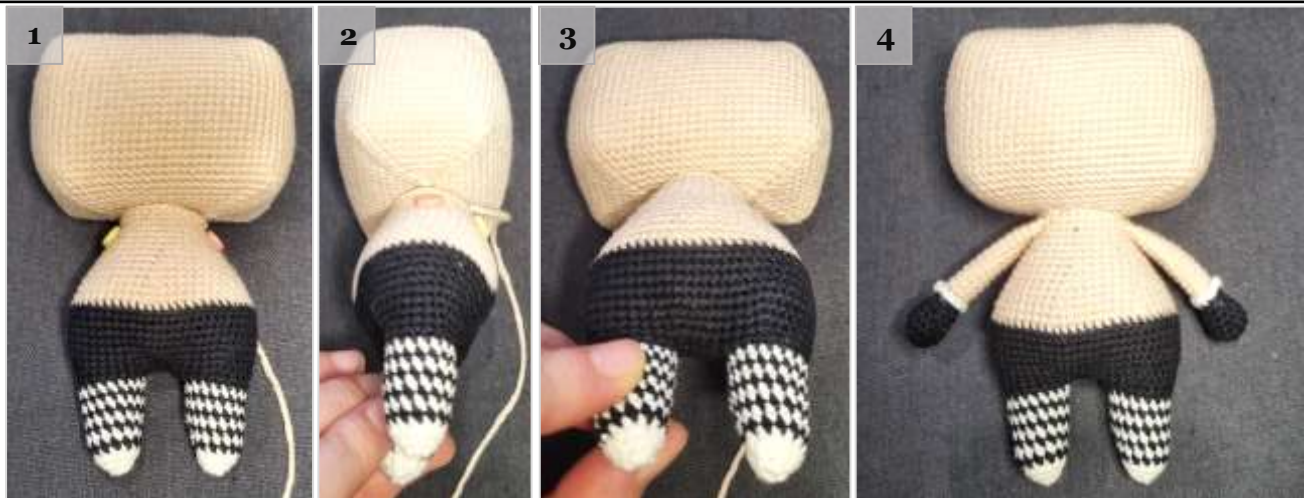

Assembly

1. Head & Body

Pin the body to the underside of the head in the middle of the seam where you sew the head shut then sew it on using the yarn tail and a yarn needle (Pic. 1-3).

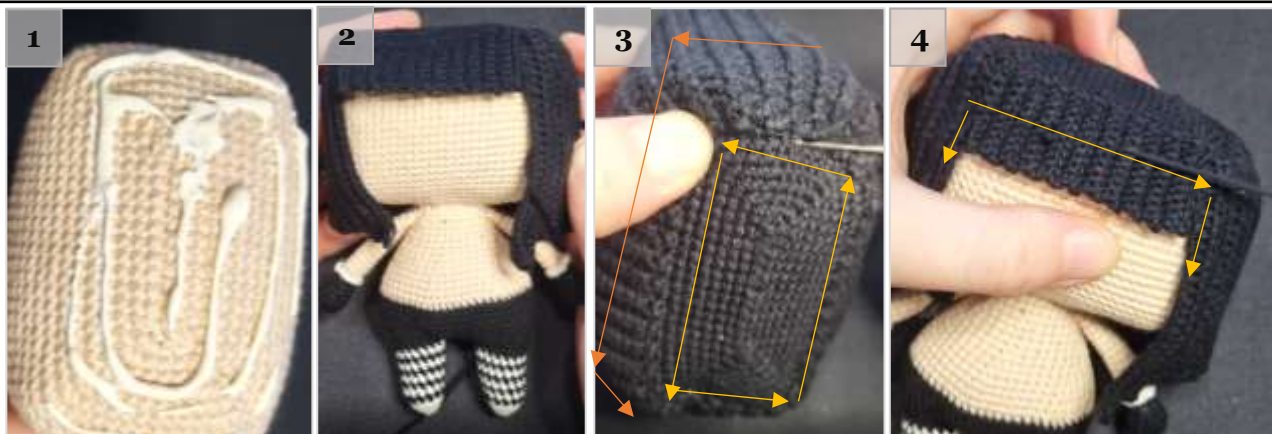

2. Arms

Pin the arms on either side of the body, one round under the head, as shown below, and sew them on using their yarn tails and a yarn needle (Pic. 4).

3. Hair

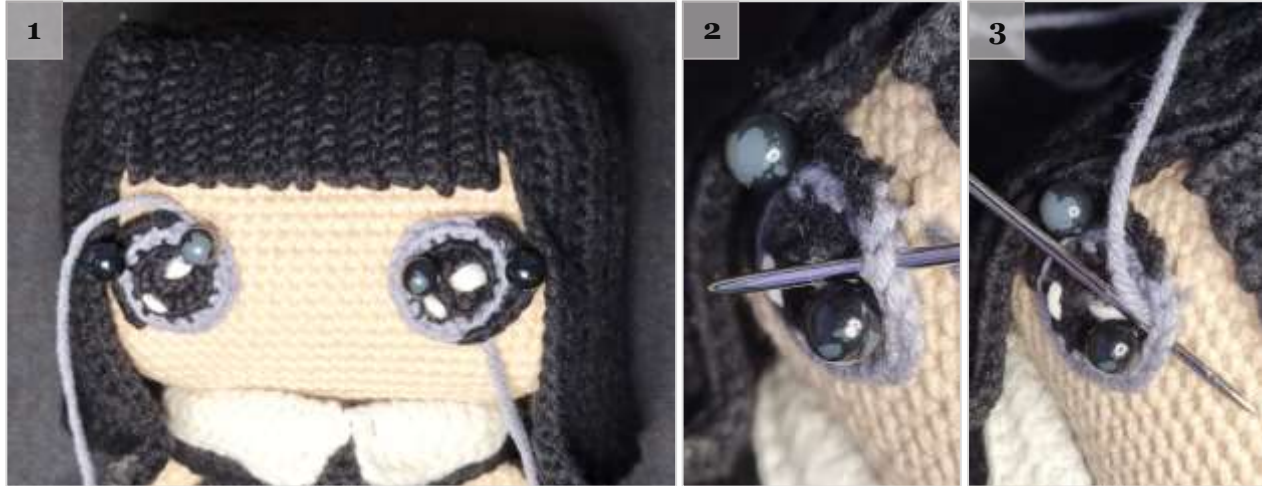

I used some fabric glue on top of the head, but you can skip this step and just sew it. If not using glue, sew around the edges of the top of the head first (yellow arrows in Pic. 3), and then secure the middle section of the hair (lengthwise) to the head with a few stitches around the sides of the head (orange arrows in Pic. 3). Secure the front sides of the hair to the face with a couple of stitches, and also secure the bangs to the face at about the middle line with a few stitches (yellow arrows in Pic. 4). F.O. and weave in the rest of the tail.

4. Eyes

Place the eyes on the head, two rounds below the bangs and 8 stitches apart (Pic. 1).

Sew them on with the grey yarn tails, going in and out under the tops of the denim stitches (Pic. 2-3) and not over them, to achieve a clean edge.

5. Outfit

Embroider a nose with **SAHARA** yarn, centered between the lower part of the eyes. Using a yarn needle, pass a string of yarn 2-3 times over two stitches and then coil some of the remaining string around the two embroidered lines (Pic. 1).

Embroider eyebrows with black embroidery thread (Pic. 1).

Place the boots on the legs and secure them on by sewing a few stitches using the yarn tails and a yarn needle.

Put the dress on and close up the buttons at the back. Add the bunny and the umbrella. I secured the umbrella with a pin to the head and the bunny with a pin to the arm for display. If you do not wish to have them be easily removable, you can sew secure them with a few sewn stitches.

All done!

I'd love to see it
